

UC DAVIS

BACHELOR OF SCIENCE IN BUSINESS

COLLABORATE **FOR** IMPACT.

Undergraduate Business Major to Start in Fall 2025

The UC Davis Bachelor of Science in Business will offer a core foundation anchored in math, statistics, and economics while building competencies in fundamental areas of business.

Business majors can choose to specialize in one of the following areas:

- **Accounting**
- **Finance**
- **Marketing and Business Analytics**
- **Management and Strategy**

The major is a first-of-its-kind campus partnership between the Graduate School of Management, College of Letters and Science, and College of Agricultural and Environmental Sciences. The Graduate School of Management will award your Bachelor of Science in Business degree.

Key Dates and Information

- Starting Fall 2025, incoming freshmen can select Business on their application.
- Transfer student admission will begin in Fall 2027.
- Change of majors for current students will be allowed starting in Fall 2027.
- Current students interested in business may consider exploring the undergraduate **Accounting** and **Technology Management** Minors.

UC Davis will offer three paths within the Business Economics Cluster for those interested in business management and economics: **Economics, Managerial Economics**, or the **new Business major**.
